2022 SPORTING REGULATIONS

INTERCONTINENTAL GT CHALLENGE POWERED BY PIRELLI SPORTING REGULATIONS 2022

FOREWORD

The Intercontinental GT Challenge powered by Pirelli is governed by the FIA International Sporting Code and its appendices (hereinafter "the Code"), Appendix J to the Code, the International Series General Prescriptions and the present Sporting Regulations specific to the Challenge, as well as the latest regulations of each Competition which makes up the Challenge.

SRO Motorsports Group, the Promoter, will organise the Intercontinental GT Challenge powered by Pirelli (hereinafter "the Challenge") reserved for FIA-homologated Grand Touring cars.

The Challenge comprises one overall title for the Intercontinental GT Challenge powered by Pirelli powered by Pirelli Drivers, one overall title for the Intercontinental GT Challenge powered by Pirelli Manufacturers, one title for the Intercontinental GT Silver Challenge and one title for the Intercontinental GT Pro-Am Challenge.

Certain aspects relating to the application of the Challenge regulations have been entrusted to the SRO Sporting Board and SRO Technical Board, as defined in Appendix 3.

REGULATIONS

1. The final text of these Sporting Regulations shall be the English version, which will be used should any dispute arise as to their interpretation. Headings in this document are for ease of reference only and do not form part of these Sporting Regulations.
2. These Sporting Regulations come into force on 1st January 2022 and replace all previous Sporting Regulations regarding the Challenge.

GENERAL UNDERTAKING

3. All drivers, competitors and officials participating in the Challenge undertake, on behalf of themselves, their employees and their agents, to observe all the provisions as supplemented or amended of the Code, the International Series General Prescriptions, the Technical Regulations (Article 257A of Appendix J to the Code), Bulletins and Clarifications from the SRO Technical and Sporting Board issued during the season, and the present Sporting Regulations and its appendices. Bulletins will be approved by the parent ASN, which is the RACB.

GENERAL CONDITIONS

4. It is the competitor's obligation to ensure that all persons concerned by his entry observe all the requirements of the Code, the Technical Regulations and the Sporting Regulations as well as Bulletins and Clarifications from the SRO Sporting and Technical Board issued during the season. If a competitor is unable to be present in person at any Event, he must nominate his representative in writing to the

Stewards. A person having charge of an entered car during any part of an Event is responsible jointly and severally with the competitor for ensuring that the requirements are observed.

ELIGIBILITY

5. The Intercontinental GT Challenge powered by Pirelli is open to Manufacturers and their teams and drivers, as well as Silver drivers competing in the Silver Cup and Bronze drivers competing in Pro-Am, competing in a number of major Endurance competitions during one calendar year. The competitions qualifying for the 2022 season are listed in Appendix 1. Any changes will be subject to the approval of the Sporting Board. All drivers, Competitors and Officials participating in the Challenge must hold current and valid licences. For drivers in cars nominated by a Manufacturer, the minimum requirement is a Grade ITC-C FIA International Driver's licence.
6. Eligible cars are GT3 cars with an FIA homologation as defined by the applicable technical regulations (Article 257A of Appendix J to the Code), which are entered in multiple qualifying competitions in accordance with the specific Sporting and Technical Regulations applying to that competition.

To score points towards the 2022 Manufacturer title, the Manufacturer in question must have entered in the Intercontinental GT Challenge powered by Pirelli in accordance with articles 10 to 15 below, the teams nominated must hold an International competitor's licence, and the car must have been nominated by the Manufacturer to score points on their behalf.

7. To be eligible to score points towards the 2022 Intercontinental GT Challenge powered by Pirelli Drivers title, drivers must hold an International licence issued by their ASN of a minimum grade ITC-C and to be driving a car whose Manufacturer has entered in the Intercontinental GT Challenge powered by Pirelli in accordance with articles 10 to 15 below, and whose car has been nominated by the Manufacturer to score points on their behalf.

Cars and drivers entered in the competition who have not been nominated by a Manufacturer will not score points towards the Intercontinental GT Challenge powered by Pirelli titles and will be considered invisible for scoring purposes.

8. To be eligible to score points towards the 2022 Intercontinental GT Silver Challenge, drivers must hold an International licence issued by their ASN of a minimum grade 'C' of a minimum grade ITC-C and must have entered the Intercontinental GT Silver Drivers Challenge in accordance with articles 16 to 20.
9. To be eligible to score points towards the 2022 Intercontinental GT Pro-Am Challenge, drivers must hold an International licence issued by their ASN of a minimum grade ITC-C and must have entered the Intercontinental GT Pro-Am Drivers Challenge in accordance with articles 21 to 25.

MANUFACTURER ENTRIES

10. Manufacturers wishing to enter the Intercontinental GT Challenge powered by Pirelli must complete and return an Entry form and pay the Entry Fee for the 2022 season.
11. A Manufacturer entry authorises a number of cars per event to be nominated to score points towards the Intercontinental GT Challenge powered by Pirelli titles. This number varies per competition as follows:
 - Liqui Moly Bathurst 12 Hours : no cars will be nominated. All GT3 cars may potentially score points for their Manufacturer. No driver points will be awarded towards the overall drivers' title

- Other rounds: up to four (4) cars may be nominated, with a maximum of three (3) in the Pro category.

The Manufacturer must nominate their cars using the official car nomination form, which will be available on the website and must be completed at least 14 days before the start of the event.

The Manufacturer entry fee does not include the entry fees in the individual competitions.

12. Entries for the 2022 Intercontinental GT Challenge powered by Pirelli must be submitted at the latest by July 17th 2022, two weeks before the TotalEnergies 24 Hours of Spa

Any manufacturer confirming their entry by this date will be credited with any points scored by the leading GT3 car of their brand in Bathurst.

Entry forms are available from SRO Motorsports Group and the payment will be as follows:

Entries in the 2022 Intercontinental GT Challenge powered by Pirelli: 60.000€ excl VAT.

13. The entry fee is for the full season composed of the four competitions as listed in Appendix 1. No refund or transfer of entries is possible within the various SRO Series.
14. Each entry must include the following information :
 - a) confirmation that the applicant has read and understood the Sporting Regulations of the Intercontinental GT Challenge powered by Pirelli and, on behalf of everyone associated with its participation in the Challenge, to observe them;
 - b) the make and model of the competing car(s);
 - c) the details of the team and drivers which have been nominated for each individual event. These must be specified at the latest by the publication of the official entry list for each individual competition;
 - d) an undertaking by the applicant to participate in every Challenge competition with at least one car. Should the model or its latest evolution not be homologated in time for the first round of the Intercontinental GT Challenge powered by Pirelli, the Manufacturer may ask for a dispensation from the Promoter subject to a firm commitment to participate in the remaining competitions.
15. Each team nominated is responsible for their own entry fees in each individual event, which is separate from the Intercontinental GT Challenge powered by Pirelli entry fee.

SILVER ENTRIES

16. Teams wishing to enter the Intercontinental GT Challenge powered by Pirelli title for Silver Drivers must complete and return an Entry form and pay the Season Entry Fee in accordance with article 18.

The title will only be awarded if a minimum of three season entries are received.

Each Silver Challenge entry must include one named Silver driver, who must be part of a Silver line-up in order to score points towards the Intercontinental GT Silver Challenge.

The other drivers in the line-up may be changed in accordance with the regulations of the Silver category for each round of the 2022 Intercontinental GT Challenge powered by Pirelli.

Note that a Silver entry may additionally be nominated by a Manufacturer and in this case will also score points towards the Intercontinental GT Challenge powered by Pirelli title for Drivers.

Should the named Silver driver nominated for the Silver Driver Challenge be changed during the season, points will not be accumulated with those scored by the previous Silver driver. In all cases, the winner of the 2022 Intercontinental GT Challenge powered by Pirelli Silver Challenge will either be a Silver driver and his or her team-mates, or a Silver driver alone.

17. Entries for the 2022 Intercontinental GT Silver Challenge must be submitted at the latest two weeks before any of the competitions on the calendar, as listed in Appendix 1 to these Regulations.

With the exception of Bathurst, in order to score points in a particular Event, the entry form and entry fee must have been received by the closing date for entries for that Event. Points will then be scored for that Event and any subsequent Events during the season. Entries received before the TotalEnergies 24 Hours of Spa will be credited with any points scored at Bathurst. After the TotalEnergies 24 Hours of Spa, no points will be scored retrospectively for Events taking place before the Entry Form and Entry Fee are received.

Entry forms are available from SRO Motorsports Group and the payment will be as follows:

18. Entry in the Intercontinental GT Silver Challenge: 10,000€ excl VAT for the 2022 season

The Silver Driver Entry fee allows the individual named driver and consequently his or her team-mates to score points towards the Intercontinental GT Silver Challenge in the competitions of the 2022 season from the point of entry. It does not include the entry fee for the car in the competition.

19. Each entry must include the following information :
 - a) confirmation that the applicant has read and understood the Sporting Regulations of the Intercontinental GT Challenge powered by Pirelli and, on behalf of everyone associated with its participation in the Challenge, to observe them;
 - b) the make and model of the competing car(s);
 - c) the details of the team, the name of the specified Silver driver and the co-drivers who have been nominated for each individual competition. These must be specified at the latest by the publication of the official entry list for each individual competition.
 - d) confirmation that the specified Silver driver or a replacement Silver driver will compete in all of the events listed on the season calendar held after the date of entry.
20. Each team entered in the Intercontinental GT Silver Driver Challenge is responsible for their own entry fees for each individual competition, which is separate from the Intercontinental GT Silver Challenge entry fee.

PRO-AM ENTRIES

21. Teams wishing to enter the Intercontinental GT Challenge powered by Pirelli title for Pro-Am Drivers must complete and return an Entry form and pay the Season Entry Fee in accordance with article 23.

The title will only be awarded if a minimum of three season entries are received during the season.

Each Pro-Am Challenge entry must include one named Bronze driver, who must be part of a Pro-Am or Gold Cup line-up in order to score points towards the Intercontinental GT Pro-Am Challenge.

The second Bronze driver and the other drivers in the line-up may be changed in accordance with the regulations of the Pro-Am category for each round of the 2022 Intercontinental GT Challenge powered by Pirelli.

Note that a Pro-Am entry may additionally be nominated by a Manufacturer and in this case will also score points towards the Intercontinental GT Challenge powered by Pirelli title for Drivers.

Should the named Bronze driver nominated for the Pro-Am Driver Challenge be changed during the season, points will not be accumulated with those scored by the previous Bronze driver. In all cases, the winner of the 2022 Intercontinental GT Challenge powered by Pirelli Pro-Am Challenge will either be a Bronze driver and his or her team-mates, or a Bronze driver alone.

22. Entries for the 2022 Intercontinental GT Pro-Am Challenge may be submitted at any point during the season.

With the exception of Bathurst, in order to score points in a particular Event, the entry form and entry fee must have been received by the closing date for entries for that Event. Points will then be scored for that Event and any subsequent Events during the season. Entries received before the TotalEnergies 24 Hours of Spa will be credited with any points scored at Bathurst. After the TotalEnergies 24 Hours of Spa, no points will be scored retrospectively for Events taking place before the Entry Form and Entry Fee are received.

Entry forms are available from SRO Motorsports Group and the payment will be as follows:

23. Entry in the Intercontinental GT Pro-Am Challenge: 10,000€ excl VAT for the 2022 season.

The Pro-Am Driver Entry fee allows the individual named driver and consequently his or her team-mates to score points towards the Intercontinental GT Pro-Am Challenge in any Competitions of the 2022 season taking place after their entry is received. It does not include the entry fee for the car in the competition.

The specified driver (or a replacement driver) must take part in all of the events on the 2022 Intercontinental GT Challenge powered by Pirelli Powered by Pirelli calendar listed in Appendix 1 taking place after their entry is received.

24. Each entry must include the following information :
- a) confirmation that the applicant has read and understood the Sporting Regulations of the Intercontinental GT Challenge powered by Pirelli and, on behalf of everyone associated with its participation in the Challenge, to observe them;
 - b) the make and model of the competing car(s);
 - c) the details of the team, the name of the specified Bronze driver and the co-drivers who have been nominated for each individual competition. These must be specified at the latest by the publication of the official entry list for each individual competition.
 - d) confirmation that the specified Bronze driver or a replacement will compete in all of the events listed on the season calendar taking place after the entry is received.
25. Each team entered in the Intercontinental GT Pro-Am Driver Challenge is responsible for their own entry fees for each individual competition, which is separate from the Intercontinental GT Pro-Am Challenge entry fee.

POINTS AND TITLES

26. There will be four titles:
- a. the Intercontinental GT Challenge powered by Pirelli overall title for Manufacturers will be awarded to the Manufacturer who has scored the highest number of points over the competitions eligible for the 2022 Challenge.
 - b. The Intercontinental GT Challenge powered by Pirelli overall title for Drivers will be awarded to the Driver or Drivers who have scored the highest number of points over the competitions eligible for the 2022 Challenge, driving for a single Manufacturer. Note that Bathurst will not be eligible for this title.
 - c. The Intercontinental GT Silver Challenge title will be awarded to the Driver or Driver line-up who has entered the Intercontinental GT Silver Challenge in accordance with articles 16 to 20, competing in a car eligible for the Intercontinental GT Challenge powered by Pirelli entered in the Silver category, who has scored the highest number of points over the competitions eligible for the 2022 Challenge. The title will only be awarded to a Silver driver alone, or to such a driver and his or her co-drivers who have scored the same points during the season.
 - d. The Intercontinental GT Pro-Am Challenge title will be awarded to the Driver or Driver line-up who has entered the Intercontinental GT Pro-Am Challenge in accordance with articles 21 to 25, competing in a car eligible for the Intercontinental GT Challenge powered by Pirelli entered in the Pro-Am category, who has scored the highest number of points over the competitions eligible for the 2022 Challenge. The title will only be awarded to a Bronze driver alone, or to such a driver and his or her co-drivers who have scored the same points during the season.
27. For the Intercontinental GT Challenge powered by Pirelli Manufacturers and Drivers titles, cars must be entered in the Event in accordance with the Regulations of that competition and may be entered in any category.
28. The manufacturer does not need to nominate the maximum of four cars at each competition. Cars run by different teams may be entered at each competition. Entry in the Intercontinental GT Challenge powered by Pirelli is independent of the team entering the car or drivers of that car in any competition.
29. For the Intercontinental GT Challenge powered by Pirelli Manufacturer and Driver titles, points will be scored in accordance with the overall final classification of each eligible competition, according to the following scale:
- | | |
|-------|-----------|
| 1st: | 25 points |
| 2nd | 18 points |
| 3rd: | 15 points |
| 4th: | 12 points |
| 5th: | 10 points |
| 6th: | 8 points |
| 7th: | 6 points |
| 8th: | 4 points |
| 9th: | 2 points |
| 10th: | 1 point |

30. All eligible drivers will score points towards the overall Intercontinental GT Challenge powered by Pirelli Drivers title. Points will only be accumulated from competition to competition by those drivers competing for a single Manufacturer. Should a driver change manufacturer during the season, points earned with one Manufacturer will not be combined with points earned with a different Manufacturer.
31. The top scoring car of each Manufacturer taking part in the Liqui Moly Bathurst 12 Hour, and the top two scoring cars at all other competitions will count towards the Manufacturers' title. Should more than one car of a specific Manufacturer finish in the top ten in Bathurst, or more than two cars of a specific Manufacturer finish in the top ten in other competitions, these additional cars will be considered invisible, and their points will be redistributed to the next eligible car.
32. For the Intercontinental GT Pro-Am Challenge title and Intercontinental GT Silver Challenge title, points will be scored in accordance with the final classification of the Pro-Am category and Silver category in each eligible competition, according to the following scale:

1st:	25 points
2nd	18 points
3rd:	15 points
4th:	12 points
5th:	10 points
6th:	8 points
7th:	6 points
8th:	4 points
9th:	2 points
10th:	1 point
33. Points classifications will be published on the Intercontinental GT Challenge powered by Pirelli website after the end of each competition. In case of any disputes concerning point attributions, these will be decided by the Sporting Board. Any queries or challenges concerning point attributions must be submitted to the SRO Sporting Director within 14 days of the first publication of the points in dispute. The point classifications will be considered final 14 days after the end of the last competition of the season and, subject only to any ongoing judicial or sporting matters, from that point no further amendments or corrections will be made.

ATTRIBUTION OF POINTS FOR SHORTENED RACES

34. If a race is suspended and cannot be resumed, no points will be awarded to the crews if the leader has completed less than two laps. Half points will be awarded if the leader has completed two laps or more than two laps but less than 75% of the original race time and as long as the results include at least one lap which took place outside of a full course yellow or safety car procedure. Full points will be awarded if the leader has completed more than 75% of the original race time. The above-mentioned conditions will be based on the number of laps as shown on the published results as the basis for the final classification.

PODIUMS

35. At each event, the drivers of the winning car entered in the Intercontinental GT Challenge powered by Pirelli must make themselves available for the Podium ceremony.

36. At each event, the top three drivers in the Intercontinental GT Silver Challenge and Intercontinental GT Pro-Am Challenge must make themselves available for the Podium ceremony. If fewer than three drivers are competing then only the winners will be called to the podium.

TYRES

37. Only tyres from Pirelli (or its affiliates), approved and registered by the Promoter and sold at the relevant Event, will be accepted. Tyres must be ordered and paid by the deadlines set by Pirelli, failing which tyres will not be supplied.
38. Teams and drivers are required to sign the acknowledgement of risks form issued by Pirelli before the first time they compete in the Challenge. A new form must be signed should a driver change teams. On entering the Intercontinental GT Challenge powered by Pirelli, teams are required to sign and return the 'supply agreement with teams' issued by Pirelli (or its affiliates).
39. Cars competing in the Intercontinental GT Challenge powered by Pirelli may carry over new tyres – stickered and therefore unused on track – between events within a single season. These tyres must have been registered at a previous round of the Intercontinental GT Challenge powered by Pirelli and can only be used according to the specific regulations of the Event (ie either in Paid Practice or in Free Practice).

PRIZE GIVING

40. A Representative of the Winning Champion Manufacturer as well as the Winning Champion Drivers in the overall classification of the Intercontinental GT Challenge powered by Pirelli and the winning Driver or Drivers in the Pro-Am Challenge and Silver Challenge must make themselves available for the annual SRO prize giving ceremony.

DEAD HEAT

41. Prizes and points awarded to competitors who tie will be added together and shared equally.
42. If two or more drivers or Manufacturers finish the season with the same number of points, the higher place in the Challenge shall be awarded to:
- The holder of the greatest number of first places,
 - If the number of first places is the same, the holder of the greatest number of second places,
 - If the number of second places is the same, the holder of the greatest number of third places, and so on through the point-scoring positions until a winner emerges.
 - In the case of Manufacturers, the above criteria will be based firstly on the highest placed individual car, and in the event of a remaining tie then the second-best placed car and so on.
 - If this procedure fails to produce a result, the driver or Manufacturer (best placed individual car) who ranked best in the final race of the Intercontinental GT Challenge powered by Pirelli will be ranked the highest in the Intercontinental GT Challenge powered by Pirelli classification.
 - Special case: Drivers of the same car, who have formed the same crew during all the competitions in the Intercontinental GT Challenge powered by Pirelli in which they have taken part and scored points, and who finish with the same number of points, will share the same place in the Intercontinental GT Challenge powered by Pirelli. Examples: drivers 1 and 2 of car A will be classified equal first in the general classification of the Intercontinental GT Challenge powered by Pirelli; drivers 1 and 2 of car B will be classified equal second, and so on until the last classified crew finding itself in this situation.
