11.2 Vehicles in the Paddock

Teams are reminded of the following :

1: It is strictly forbidden to circulate in the paddock in the opposite direction to the paddock route laid out and given to all teams before the start of the event. In particular, it is strictly forbidden to use the F1 ramp in the wrong direction.

2: The speed limit in the paddock is 30 km/h. Excessive speed in the paddocks is strictly forbidden.

3: No one under the age of 18 years old may use the following vehicles: two-wheeled, three-wheeled, or four-wheeled vehicles, similar to motorcycles. Persons over 18 years old must be in possession of a "Moto Pass". In all circumstances, these vehicles are strictly limited at all times to the "Paddock" enclosures, to the Paddock / Driver Parking route and to the Paddock / Refuelling route. In the case of a breach of this rule, the vehicle will be impounded

11.3: Car Parking and Deliveries

1: Cars may only be parked in the area to which they are assigned and with a valid car pass, including name of team / company, affixed to the windscreen. Any cars found in the wrong area or without a car pass will be removed.

2: Cars or vans with Delivery passes may be used for a maximum of 30 minutes within the paddock for delivery purposes. After this time, they must return to their correct parking area. Failure to do so may mean the removal of the car

11.4: Other Behaviour

1: All vehicles which will be parked inside the Paddock area must provide waterproof protection under the fuel tank and engine to prevent any possible leak of oil/fuel or any other dangerous liquid into the environment. Should a team fail to abide by this rule, a financial sanction will be imposed after the Event.

2: Teams are reminded that they should clear the pit lane as quickly as possible after their sessions.

3: Teams are reminded that they must abide by the instructions of the Organisation while setting up their sporting, hospitality or other structures in the paddock.

4: Teams are reminded of the need for sustainability. In particular, Teams are reminded of the need to conserve water as much as possible. Awnings cannot be cooled by means of water; any leaks must be repaired as soon as possible. Additional measures may be added before or during the meeting, which will be announced by means of a bulletin. Any infractions will be reported to the Stewards of the Team concerned.
