4.6. Entry fee refunds

The entry fee shall be refunded in full
- if the event does not take place
- to teams whose entry application is rejected
The organiser may partially refund entry fees, if a competitor cannot take part in the event due to a duly proved case of force majeure.

This must be applied for in writing (alain.penasse@ypresrally.com), giving the reason of withdrawal, before Friday 28 June 07:00 (Scrutineering), including entrant’s bank details.

5. Insurance Cover

**Contract nr 730.261.439 AXA Belgium**. Eligible for the rally including Qualifying Stage and Shakedown.

The Organiser has contracted an Auto Liability Insurance according to Art 16 of the FIA RRSR, Chapter 2/Art 5 of the National Sporting Rules and the Belgian Law concerning the compulsory liability insurance for motor vehicles of 21 November 1989 – Art 8 which covers the third party liability of the nominative mentioned competitors (on the official list) and this only during the Shakedown, Practise, Qualifying Stage and the running within the itinerary of the rally, from the start of the first competition element until the end of the rally or at the moment of permanent retirement or disqualification.

### 5.1. Motor vehicle liability

**Insured limits:**
- Bodily injury: unlimited per claim
- Property damage: EUR 100,000,000 per claim (index)

All cars participating in the rally must compulsory have a minimum of Motor Vehicle Insurance as proof that the car has valid third party liability insurance for Belgium, the appropriate Green Card (International Motor Insurance Card, or other certificate stating that the policy to which this certificate relates satisfies the requirements of the relevant law applicable in Belgium and France) must be presented at the administrative check.

The Service, Auxiliary and Recce vehicles and cars used for reconnaissance, even those bearing special plates issued by the organisers, are not covered by the insurance policy of the rally.

### 5.2. Public liability “Organiser”

The Organiser has contracted a Civil Public Liability Organiser Insurance, which covers for damage to third parties caused by an accident during the preparation, conduct and the physical settlement of the event and that is due to an organizational fault.

**Insured limits**

**Liability:**
- Bodily injury, property damage and consequential financial loss combined: EUR 5.000.000 per claim
- Deductible: EUR 125 per claim for property damage

**Legal assistance:**
- EUR 15.000 per claim

**Insureds:**
- The Organiser
- The FIA
- The RACB
- The officials
- The National Sports Commission
- The members of the Red Cross or similar Organisation
- The members of the Civil Protection
- The participants
- The marshals
- The intervention vehicles
- And in general, every person which participates in the organisation of the rally
5.3. Public liability “Volunteers”

The Organiser has contracted Public Liability Volunteers Insurance for damages caused to a third party by volunteers, which he appeals, during their volunteer activities. Commuting of these volunteers is also covered.

**Insured limits:**
- Bodily injury: EUR 12,394,676.24 per claim (index)
- Property Damage: EUR 619,733.81 per claim (index)

5.4. Behaviour in case of accident (National traffic rules)

In case of an accident with material damage only, the competitor has the **absolute legal obligation** to report verbally at the next Time Control and by a detailed report in writing before the end of the “Leg” at the Clerk of the Course’s office to the Withdrawal Officer. Lack of declaration of third party material damage, will be sanctioned with a EUR 500 penalty. Furthermore, in case of physical injuries, the driver must immediately inform the qualified police authorities and Rally Control at the HQ on the dedicated telephone number mentioned on the back of the Timecards.

**If a driver taking part in a rally is involved in an accident in which a member of the public, or anyone else, sustains physical injury, the driver and/or the co-driver concerned must remain at the scene of the accident and stop the following car which must report this to the next radio point as specified in the road-book and signed on the route or to the next time control (road sections).**

The laws of the country in which the event is run must also be complied with in relation to procedures at accidents. Hit and run offence is a criminal offence under Belgian law. All teams/crews stopped by this procedure will receive a suitable time according to Art. 39 FIA RRSR.

- If a competitor leaves the road and goes off the road on a spot where spectators, neighbours, marshals or any other persons are standing, he must stop to verify if nobody has been hit and/or injured by his vehicle.
- If nobody has been injured, the competitor may leave and the incident will be considered as a race fact, remaining understood that the above-mentioned report must be made in the same conditions by the competitor.
- Inobservance of the here above-mentioned rules will be automatically sanctioned with the disqualification of the competitor who furthermore is risking legal penalties in the country where the event takes place.
- Competitor’s accident and safety procedures will be also inserted in the Roadbook (See also 12.6.5 hereinafter).

5.5. Car recovery

To ensure safety, the car of a competitor who fails to complete the stage will be transported by the organisers free of charge to the end of the stage or to a safe location for evacuation. (Art. 41.3.2 FIA RRSR).

5.6. Responsibility waiver

The Organiser declines all responsibility in relation with any consequence of any breach of laws, regulations and decrees of the crossed territories committed by the Drivers or Competitors. Those consequences will be assumed by the perpetrator(s).

The Organiser declines also all responsibility in case of cataclysm, demonstrations, riots, assaults, sabotage, terrorism etc. of which the Competitors, Drivers, team members or occupants of a vehicle could be the victim and the consequences (material, penal and sporting) of which must be borne by themselves.

6. Advertising and Identification

Location: Rally HQ - Neermarkt, 8900 Ypres

9.1.1 Reconnaissance registration form

The reconnaissance registration form will be available together with the entry form. This form, duly completed, must be finalised latest by Tuesday 25 June 12:00.

When a competitor's reconnaissance car should be replaced for any reasons, the competitor must inform the Clerk of the Course and provide the details of the replacement car. The reconnaissance sticker must be placed on the replacement car.

9.1.2 Participation in reconnaissance only

Any driver holding an appropriate international license but not entered in the rally may apply to take part in the reconnaissance. The regulations on reconnaissance must be respected in their entirety. A registration form for this purpose will be sent upon request (e-mail alain.penasse@ypresrally.com).

When a competitor's reconnaissance car should be replaced for any reasons, the competitor must inform the Clerk of the Course and provide the details of the replacement car. The reconnaissance sticker must be placed on the replacement car.

The final permission for taking part in recce is left to the discretion of the Clerk of the Course.

An administrative fee of EUR 300 will be charged.

9.2. Specific regulations

During reconnaissance, all national traffic regulation must be followed, including but not limited to the speed limits. Please note that the Special Stages will not be closed to public traffic during reconnaissance. The organiser may reduce the allowed speed individually by marking the areas in the roadbook and along the route.

Speeding during reconnaissance will incur a fine applied by the Clerk of the Course according to Art. 20.2 FIA RRSR.

See also SR Appendix 7 – Speed limits.

9.2.1 Passages

Crews are authorised to drive a maximum of 2 times through each special stage in accordance to the schedules given in Appendix 2. The passages must be driven in the same direction as the rally, at a reduced speed and fully respecting the Traffic Laws. Special stages that are run twice during the rally may only be driven as one stage during recce. All passages through the special stages will be recorded by GPS tracking device. Time cards will be used.

Teams/crews will only be permitted to enter and leave special stages only through the start and finish controls. Further random checks may also be carried out within the special stages.

9.3. Collection of speed control checking device/safety tracking system

All reconnaissance cars must be equipped with a Safety Tracking System/Speed control device. A recce car without device will be treated as illegal recce and reported to the Stewards. This device can be collected according the programme in chronological order (SR Art. 3).
9.4. **Reconnaissance schedule**

See SR Appendix 2.

10. **Administrative checks**

10.1. **Documents to be presented**

- Competitor’s license
- Driver’s and co-driver’s competition licenses
- Driver’s and co-driver’s ID cards/passports
- Driver’s and Co-driver’s valid driving licence (non-EU resident drivers and co-drivers must present a driving license valid in the EU)
- ASN authorisation for foreign competitors (if required)
- Completion of all details on the entry form
- Car insurance cover certificate (Green card or other certificate stating that the policy to which this certificate relates satisfies the requirements of the relevant law applicable in Belgium and France)
- Car registration papers
- Authorization of the owner of the car if he is not one of the drivers

Cars may be presented at scrutineering by a representative of the team. See programme (SR Art. 3).

At scrutineering, all competitors must present their car together with the extra headlights, which they will use during the rally.

11.1.1 **Scrutineering, mandatory documents**

- Cars’ complete certified homologation
- SOS / OK board (DIN A3 format)

For each car of the **FIA Priority Drivers**, one spare gearbox and one set of spare differentials (front and/or centre and/or rear) may be used in each rally. These spare components and those fitted to the car will be marked/sealed at initial scrutineering. These cars must have their sump guards removed for sealing of gearboxes and differentials and be kept with the car for the purpose of weighting.

The tracking system does not have to be installed for the scrutineering.

11.1.2 **Timetable for scrutineering**

Exact time for the scrutineering shall be chosen in the entry platform. Any later changes are to be made by Entrant online.

11.2. **Mud flaps**

See ISC Appendix J, Article 252.7.7.
11.3. Windows
See ISC Appendix J, Article 253.11

The use of silvered or tinted films on rear lateral windows and rear window is authorised providing that:
- It complies with Art 253.11 from the Appendix J
- The maximal reflection of the film is 25%.
- The Car is equipped with 2 rear view mirrors.

11.4. Drivers' safety equipment

All items of clothing including helmets and FHR (Front Head Restraint) intended to be used, e.g. HANS devices, must be presented for scrutineering. They shall be checked for compliance with Appendix L, Chapter III.

11.5. Noise level

The maximum noise level permitted on road sections is 95 db. Cars not complying with this rule will not be allowed to start. The noise will be measured with a sonometer regulated at “A” and “SLOW”, placed at an angle of 45 degrees to and 50 cm from the exhaust outlet, with the car’s engine running at 3 500 rpm.

11.6. Special national requirements

- Belgian registered cars need a certificate of C.T.A. (Automobiel Keuring / Contrôle Technique);
- Each car must be equipped with one red reflective triangle and a first aid kit in conformity with EU traffic regulations;
- Two belt cutters must be carried on board at all times. They must be easily accessible to driver and co-driver when seated with fastened seat belts.

Two-way radio communication

The approved GSM (mobile) telephones are exempted from licensing. License for another radio transmitter must be applied for at the Belgian authority in charge:
B.I.P.T.
Ellipse Building, Building C
Boulevard du Roi Albert II 35 B, B-1030 Brussels
Tel: +32 (0)2 226 88 88
Fax: +32(0)2 226 88 03

Any infringement of the law will render the broachers liable for legal procedures and if their frequencies interfere with the Organisation network, immediate sanctions will be requested.

11.7. Installation of safety tracking system

11.7.1 Collection

All cars must be fitted with a 4RALLY Pointer STS equipment ver. 31x (STS) device provided by the organiser. The STS devices will be distributed during the material collection (see Art 3.2.) against the cash deposit of a EUR 200 guarantee refundable upon timely, undamaged return. Foreign competitors from outside the Eurozone, will be allowed to deposit a cash guarantee in their national currency for the equivalent value of EUR 200, in an envelope which will be sealed at the moment of the deposit.

11.7.2 Installation and inspection

Team/crew are personally responsible for mounting STS equipment. Same STS device must be mounted, and the sticker must be placed into the recce/rally car during reconnaissance and race including Qualifying stage and Shakedown. During reconnaissance device must be in a visible place, so Marshals or other Officials will be able to identify it. Officials, appointed by the Organiser, will inspect if the equipment has been fitted correctly and the informational sticker, containing contact phone number of the rally control centre, has been placed to the dedicated area on co-driver’s door. Team/crew, that has fitted the equipment incorrectly, must fit it correctly before start of the rally.

11.7.3 Use

If the crew stops in the special stage, “SOS” or “OK” button must be pressed within 30 seconds. Team/crew that has stopped in the special stage must ASAP inform rally control concerning the reason of stopping. Contact number can be found on informational sticker.
In case the team/crew receives electronic Red Flag hazard signal (loud sound signal, and yellow led lights up), “OK” button must be pressed in hold for 1 sec in order to confirm message receiving to rally control centre. The crew must immediately reduce speed and follow the instructions of marshals.

For the infringement of usage of “SOS” and “OK” signals, the team/crew can be fined according by the Stewards. Any manipulation or disconnecting of the device will be considered as unauthorized reconnaissance and reported to the stewards by the Clerk of the Course.

See Rally Guide 2 Appendix 5 “Safety Tracking System User’s Guide”.

11.7.4 Return
The complete STS device kit will be dismounted by the organiser in the Parc fermé End of Rally.

In case of an earlier retirement the competitor can return the complete STS device kit to Rally HQ (Neermarkt, 8900 Ypres) Friday 28 June 23.00 - 24.00 or Saturday 29 June 09.00 – 21.30.

12. Other procedures and regulations
12.1. Start procedure and order
There is no Ceremonial start.
The Rally start will take place on Friday 28 June at 18:00, from TC100 on the Start podium situated on Ypres market place. Start order and intervals during the whole rally will be in accordance with Art. 45 FIA RRSR. The time interval will be 1 minute for all competitors.

The start provisions specified in the RRSR will be applied.

12.2. Finish procedure
Following the final service in Ypres all teams/crews will continue to the end of rally at TC 114D (holding in). From there until the end Parc fermé regulations are apply, competitors must follow instructions of the officials to drive over the finish Podium on Ypres market place. This area will be open only for officials with appropriate pass. After the finish podium ceremony, cars will be driven into the Parc fermé following the roadbook provided by the organisers under Parc fermé regulation. Cars selected for the final scrutineering will be escorted by the organiser under Parc fermé regulations to the final scrutineering and/or the final Parc fermé at IBP Ter Waarde.

Prize giving: Podium ramp, Grote Markt in Ypres, Saturday 29 June at the arrival of the first cars.

12.3. Permitted early check-in
Teams/crews are authorised to check in early without incurring a penalty, at:
• TC 103E (end of leg 1)
• TC 114D (end of Leg 2)

12.3.1 Change of time card during the rally
Timecard will be issued at the time control at: TC 100, TC 103F, TC 107B, TC 110B
There is no Super Special Stage.
12.4. Special procedures and activities

12.4.1 Availability of participants
Participants who park their vehicles in the Parc fermé upon passing the finish line, must remain available by phone (mobile) until the final classification have been posted.

12.4.2 Classification
The final classification will not be distributed after the event. The final classification will be published on the website on the Digital Notice Board https://www.ypreshistoricrally.com/en/content/competitors

12.4.3 Competitors safety
All Competitors are invited to pay special attention to Art. 40 FIA RRSR.

12.4.4 Team/crew contact number
At the Administrative checks, all teams/crews must declare the number of the mobile phone, which they will carry with them on board and keep connected during the whole event or connect within 30 seconds when they stop their car during a special stage. This is part of the team/crew safety procedures of the events safety plan.

12.4.5 Road Section after Flexi Service
Not applicable

12.4.6 Other points

Tyre and break warming
For public safety reasons, during the Practise/Qualifying and Shakedown in Boezinge, it is forbidden to warm up tyres and brakes while driving the car within the Service park Boezinge. Any infringement will be immediately reported to the Stewards.

During Shakedown tyres will not be marked and will not be part of the allocation.

Refuelling
During the whole rally except SD Boezinge the refuelling area will be situated at the crossing of N308 and N38. A car may be pushed out of the zone by the crew, with help of officials without incurring a penalty.

Other
“Judges of fact” (ISC Art 11.16) will be in charge of checking all prescriptions in relation with Service rules and Service parks. Special attention will be paid to the observance of speed limit (30 km/h) within the Service park and (5km/h) within Refuelling Area (Art 49.4). Any infringement will be reported to the Stewards.

During all assistance, the use of a floor cloth is obligatory and proximity of an operational adequate 6 kg fire extinguisher (per car), visibly positioned, is obligatory on every service area. Any infringement will be reported to the Stewards.

On-board cameras
- If required by the Organiser, an entrant must carry an on-board camera or another recording device. This will be fitted by the Organiser and approved by the scrutineers.
- The competitor of any car, which carries an on-board camera, must have the prior agreement of the Organiser. Authorized cameras will be identified by an adhesive decal and must be mounted in the car at the time of scrutineering.

(Art. 65.1 FIA RRSR)

Tapes of on-board cameras may be exchanged in the media zone, in regroups or Parc fermé with the agreement of the Clerk of the Course. All such work carried out will be done under the supervision of a marshal or rally official. (Art. 31.8 FIA RRSR).

Media zones
There will be a fenced media zone established prior to the yellow time control board at the entrance time control Technical Zone / Regroup In before the Service park and within the holding park before the podium
ceremony at the finish. The access to those media zones shall be limited to the personnel holding the appropriate pass.

**Testing (Art. 66 V1 FIA RRSR)**
Entrants desiring to have private testing session in conformity with the local legislation can obtain further information by sending the entrant identity, drivers name and car’s chassis number and registration to

**Shakedown**
Shakedown will be held on Wednesday 26 June.
There will be a Service park in Boezinge village with competitor allocated areas. Only vehicles identified with SERVICE plate are allowed in the Service park in Boezinge.

Distance from Ypres: 5 km.
Length of Shakedown: approximately 7 km

Due to the limited space trailers are not allowed in the Service park Shakedown. Trucks longer than 10m are not allowed to leave Service park of the Shakedown before 23h00.

**Removal of cars from the Final Parc Fermé**
Upon authorisation by the Stewards to open the Final Parc fermé, the cars can be removed. If the above takes place following schedule, all cars must be removed before Sunday 30 June at 01.00. To collect their car, the drivers or their authorised representative must present the "Car Removal" document issued by the Organiser, to the Parc fermé marshal in charge. This document will be handed over to the competitors when they enter their car in the final Parc fermé.

12.5. **Official time used during the rally**
Official time throughout the rally will be CET, DCF clock (Frankfurt Radio tower).

12.6 **Plaats van Servicepark**: Ypres Hoornwerk
Alle teams moeten een brandblusser van 6 kg zichtbaar ter beschikking hebben op hun serviceplaats gedurende de volledige voorziene servicetijd van de wagen.
Er mag geen brandstof, van welke aard dan ook, opgeslagen worden in het servicepark, op de serviceplaatsen, in servicewagens en/of bijstandsvoertuigen. De inbeslagname van de brandstof zal gepaard gaan met een boete van 500 € opgelegd door de wedstrijdleider.
Het is absoluut verboden dat een wagen die brandstof vervoert toegang heeft tot het servicepark en/of daarin rijdt. Enkel een maximale hoeveelheid van 20 l brandstof noodzakelijk voor het vullen van de reservoirs voor het materieel (generator, verwarming, enz) zal toegelaten worden

It is strictly forbidden to recce at any other times. Checks will be done by authorities and the Organiser (see Art 9 here above).

Crews must always drive in the direction of the special stage, so under no circumstance crew/teams can drive in opposite direction of the stage or cross the stage. Any infringements will be reported to the Stewards.
Exceptionally during the reconnaissance of SS Reninge, in between 2 passages it will be allowed to drive a part in opposite direction of the special stage as per the map provided in the Roadbook.

During the reconnaissance, further checks may also be carried out within special stages and an official FIA stop sign will be placed to identify the location. Team/crew must stop whenever they meet such point.

Appendix 3 – Competitors Relations Officer
The CRO schedule will be posted on the Official Notice Board.

Appendix 4 – Decals and supplementary advertising

Additional identification – front window
There will be an additional competition number – black numbers in a white square box, to be placed on the top right corner of the windscreen as per French legislation.

Compulsory advertising (all competitors except Motorsport UK BRC registered teams/crews)
RACB Sport reserves the right for the publicity for the events that count towards the Belgian Rally Championship 2019. The location for this will be determined in the supplementary regulations of the rally. Every participant in a round of the 2019 Belgian Rally Championship is obliged to carry two stickers on the car. These stickers will be made available during the collection of materials and are part of the compulsory advertising of the event.
(Art. 18.10. 2019 RACB BRCSR)

Compulsory advertising (Motorsport UK BRC registered crews only)
Competitors’ cars registered for 2019 must display the official Championship decals at all times during the event, including shakedowns which are held within the timetable of the rally.

1. Event Plate – supplied by each rally organiser
2. Championship sponsor door panel = 270mm x 450mm
3. Championship windscreen decal = 1280mm x 185mm
(Art. 9.2 2019 Motorsport UK BRCSR)

Appendix 5 – Extracts from FIA ISC Appendix L relating to overalls, helmets and any other safety requirements

The up-to-date regulations can be found at:
https://www.fia.com/regulation/category/123 (Chapter III page 19)
https://www.fia.com/regulation/category/761 (Technical List)

30.8.4 The location and time of day of this procedure must be specified in the rally supplementary regulations.

30.9 Late or early check-in
Any late or early check-in to the time control preceding the start of the Qualifying stage (TCQS) will be considered as an incorrect participation and Art. 30.6.2 will apply.
30.10 False start
Any false start during the Qualifying stage, particularly one made before the signal has been given, will be considered as an incorrect participation and Art. 30.6.2 will apply.

30.11 Service
From the beginning of the timetable for Practise until the individual start time of the Qualifying stage service may only be carried out in the Service park designated by the organiser for this purpose.

30.12 Technical requirements
For applicable cars, the engine, the complete transmission and the mechanical parts must be sealed.

Appendix 7 – Speed limits

General National Traffic rule: Immediate withdrawal of the driving licence for 15 days + fine of EUR 550,00 up to EUR 2,750,00 in case of:

- Exceeding the maximum speed limit in whatever the circumstances on any road (see table below)
- Exceeding the maximum speed limit in very bad weather conditions, i.e. in the event of fog or snowfall reducing visibility to less than 100m, and in case of heavy rain, on any road.
- In possession of a radar detecting device.

Foreign drivers must, pay the fine immediately on the spot. The vehicle will be seized on the spot when payment is refused.
